ESSEX STEAM TRAIN & RIVERBOAT TOUR

Thursday, September 30, 2010:
Today, we depart our respective clubs for a wonderful trip to the Connecticut River Valley, named by the Nature Conservancy as “one of the last great places on earth”. We’ll arrive in Essex before lunch with time to see the many sea captains’ homes along Main Street. Essex is a town still much the same as it was at the height of its shipbuilding prosperity during the mid 1700’s. Lunch will be served at the lovely Oliver’s Tavern located in historic Essex. After lunch, we’ll travel the 12-mile trip on the Essex Steam Train through the picturesque fall landscape with our final stop at Deep River Landing. There, we’ll board a riverboat for a one hour cruise providing spectacular views of the unspoiled river valley. During the cruise, we’ll get a river’s eye view of the famous Gillette Castle and the Goodspeed Opera House. What a delightful way to spend a fall day!
